Points of Interest
When- October 9-10
Where- Ravine Lodge, Mt Moosilauke, Warren, NH 603-764-5858

Schedule
Friday 9 Sept.-
4:00-5:00 pm - Biology Seminar
5:00 pm - meet at Gilman Lounge to arrange carpooling
5:00-6:00 pm - Drive to Ravine Lodge (see directions below)
6:30pm - Dinner at Ravine Lodge (we're not the only ones who will be dining that
night so dinner time isn't flexible)
evening - Relax, drink beer/wine, talk

Saturday 10 Sept.-
7:30-8:30 am - Breakfast and coffee
8:30-10:00 am - Influential papers discussion (bring a favorite paper and discuss why you
found it inspiring)
10:00-11:00 pm - Scavenger Hunt
11:00-12:15 pm - Discussion: The Place of Natural History in Science
papers: Futuyma 1998; Schmidly 2005
12:15-1 pm - Brown bag lunch (provided)
1:00pm - Recreation Time, Hiking, Foliage Watching, Beer Drinking on the Deck, etc.

Directions from Hanover (~60 min)
North on Rt 10 to Orford, right on 25 A East to Wentworth. In Wentworth, left on 25
and 118 (north), pass through Warren, then follow 118 for 5.8 miles to a wide dirt road
on left. There is a large Ravine Lodge sign. Follow the dirt road to the end, turn around
in the cul de sac, then park on the valley side of the road (the left side on the way in, right
on the way out) and walk down to the Lodge. There is a small walkway through the
woods to the Lodge. Approximately 1 hour driving time. Please car-pool as much as
possible; most of us will be at the Biology seminar that afternoon, and we can meet there
but need to leave promptly as dinner is served at 6:30 pm.

Readings

Schmidly, D. J. 2005. What it means to be a naturalist and the future of natural history at
