TEACHFORAMERICA

Aeris Partners

Aeris Partners is an independent technology-focused M&A advisory firm that serves market leading software, SaaS, business information, and tech-enabled services companies spanning a range of high-growth market sectors, including healthcare IT, financial technology, analytical software and education software, among others. We work with prominent technology-focused private equity firms, venture capital firms, entrepreneur-owned companies and publicly-traded technology companies. Clients value our ability to deliver exceptional transaction outcomes through our unique consultative and analysis-driven approach.

Agency Within

Agency Within is a full service digital marketing agency for enterprise brands. Clients range from retail to travel to financial services. We are not another third party, but rather an agency embedded within organizations. Our specialties include digital marketing strategy, customer acquisition, customer retention, marketing automation, and conversion rate/landing page optimization. Within these specialties, we manage the following channels for our clients: PPC, SEO, PLAs, Affiliate, CSEs, Display, Retargeting, Email, Social Media, App Installs, SMS, Push Notifications, Marketplaces & Direct Mail.

Alarm.com

Alarm.com is the leading cloud-based platform for the smart home. Millions of home and business owners depend on our technology every day to make their properties safer, smarter and more efficient. We make the Smart Home broadly accessible by enabling easy automation and control across a range of connected devices through our single, intuitive user interface. **We're seeking people who are passionate about creating change through technology and want to make an impact.**

Alpha Square Group

Alpha Square Group is a family office headquartered in New York. The families we represent are of strong Finance, Real Estate and Agriculture background in Asia. With committed capital of \$2 Billion USD, we are aggressively expanding our presence in North America, with close to a dozen investments across TMT, Healthcare and Real Estate sectors. Alongside return driven investment, we also design long-term philanthropy giving plans, to help families achieve long lasting impact through charitable giving.

Altamont Capital Partners

Altamont Capital Partners (“ACP”) is a leading private equity investment firm based in Palo Alto, California. We focus on investing in change-intensive, middle-market private companies. The firm currently manages over \$2 billion of capital **for a small group of the world’s most sophisticated private equity fund investors** and has been growing consistently since inception.

Altman Vilandrie & Company

Altman Vilandrie & Company (AV&Co.) is a boutique strategy consulting group that focuses exclusively on the telecommunications, media and related technology and investor sectors. As one of the only pure play communication and media strategy consulting groups in North America, we assist operating companies and financial groups in fast, high-impact, confident decision making. We rely on our deep industry knowledge and advanced analytics to develop tailored recommendations. Not only does this industry-specific philosophy set us apart; more importantly, it allows us to deliver better advice, more quickly.

Amazon

Interested in working at America's most trusted company? Amazon is looking for smart, analytical, customer-obsessed, and energetic undergraduates to help build a world-class shopping experience and serve as the leadership pipeline for our rapidly growing global business. Join us for an in-depth look at what Amazon has to offer you in sales, HR, finance, business analytics and engineering. We will talk about projects we're working on and the excellent career trajectory for you at Amazon!

American Enterprise Institute

The American Enterprise Institute (AEI) is a public policy think tank dedicated to defending human dignity, expanding human potential, and building a freer and safer world. The work of its scholars and staff advances ideas rooted in a belief in democracy, free enterprise, American strength and global leadership, solidarity with those at the periphery of our society, and a pluralistic, entrepreneurial culture.

Appian Corporation

Appian makes building complex software simple. We've built our low-code platform from the ground up with the power to address some of the world's toughest business problems. It's exciting and challenging work with exciting and fulfilling rewards. It takes the right person...is that you?

Applied Predictive Technologies

APT is a leading cloud-based analytics software company that enables organizations to rapidly and precisely measure cause-and-effect relationships between business initiatives and outcomes to generate economic value. Our intuitive and proprietary Test & Learn® software utilizes sophisticated algorithms to analyze large amounts of data, enabling business leaders to conduct experiments and allowing them to make optimal decisions and implement business initiatives at scale. We also offer products that support decision-making for specific business needs including transaction analysis, **space planning, category management and location selection. APT's client portfolio features some of the world's best known brands, including Walmart, Starbucks, Coca-Cola, Victoria's Secret, American Family, SUBWAY, TD Bank, T-Mobile, and others.**

Applied Value

Applied Value offers world-class management consulting services designed to enhance the value of a client's enterprise. Today, with professionals in three offices around the world, Applied Value provides a comprehensive range of strategy and operations management consulting services. Applied Value has a three-pronged approach to business, combining management consulting, private equity and non-profit. With offices in the US, Europe, and Asia, we combine the in-depth expertise of a global adviser with the focus, attention and flexibility of a boutique consulting firm.

AQN Strategies

Building the capabilities and culture to sustain resilient and profitable financial services businesses through economic cycles and varied competitive landscapes

Artisan Healthcare Consulting

Artisan Healthcare Consulting is a management consulting firm that provides strategic insights to healthcare product companies. We bring expertise in some of the most complex healthcare markets and in quantitative techniques to evaluate our clients' opportunities and performance. Artisan leadership has helped clients ranging from global pharmaceutical, biotechnology and device companies with billion dollar brands to emerging, venture backed organizations that are just beginning to evaluate how to commercialize or partner their products.

Atlantic Media

Atlantic Media is dedicated to equipping opinion leaders with breakthrough ideas and original insights. Its powerful brands, including The Atlantic, Government Executive, National Journal, Quartz, and Defense One reach leaders across all sectors—consumer, business, media, and government. Strategically designed to meet the unique needs of this **community, Atlantic Media's innovative portfolio of digital, print, event, social, and mobile platforms engages an influential audience of over 30 million worldwide each month.**

Audax Group Private Equity

Audax Group is a leading middle-market private equity firm with over \$11.5 billion of capital under management. Our investment professionals hail from diverse and complementary backgrounds, including top private equity, management consulting, and investment banking firms, as well as elite undergraduate institutions. Audax helps companies improve the profitability of their business – through acquisitions, sales force expansion, product line or geographic expansion, and cost optimization, with a focus on long-term sustainable value creation.

Avero

Avero is the leading technology partner to the hospitality industry providing web-based and mobile business intelligence and analytical applications for food & beverage operators. We help restaurateurs and finance operators drive revenue, improve profitability, provide a superior guest experience and outperform the competition. We process more than \$33 billion in annual F&B transactions and have over 37,000 users in 68 countries, including many of the most renowned restaurants, casinos and hotels in the world.

Bain & Company

Bain & Company is a global business consulting firm with offices in all major cities. We help management make the big decisions: on strategy, operations, mergers & acquisitions, technology and organization. Bain was founded in 1973 on the principle that consultants must measure their success in terms of their clients' financial results. Companies that outperform the market like to work with us; we are as passionate about their results as they are.

Beacon Group

The Beacon Group is a strategy consulting firm with a strict focus on providing our clients with actionable growth strategies and tactics. With a commitment to achieving top-line growth for our clients, our deliverables are designed to have a direct impact on their profitability. For over a decade we have carved a niche as a premier counselor on issues of innovation, disruption, and international, adjacent, and emerging market growth for the Fortune 500.

Black Duck Software

Organizations worldwide use Black Duck Software's industry-leading products to secure and manage open source software, eliminating the pain related to security vulnerabilities, compliance and operational risk. Black Duck is headquartered in Burlington, MA, and has offices in San Jose, CA, London, Belfast, Frankfurt, Hong Kong, Tokyo, Vancouver, Seoul and Beijing. For more information, visit www.blackducksoftware.com

C&S Wholesale Groceries

Based in Keene, NH, we are the largest wholesale grocery supply company in the U.S. and the industry leader in supply chain innovation. Founded in 1918 as a supplier to independent grocery stores, C&S now services customers of all sizes, including independent supermarkets, chain stores, military bases, and institutions with over 150,000 products.

Cambridge Associates

Cambridge Associates is a leading global investment firm. We work with non-profit institutions, pension plans, and private clients to build investment portfolios that help them meet their **philanthropic goals, pensioners' obligations, or** personal endeavors. Our goal is to meet clients wherever they are in the investment process. We offer a variety of services to complement those needs, from acting as an outsourced investment office to providing access to our world-class digital research platform.

Capital Group

Capital Group — **one of the world's largest and most trusted investment management companies** — has more than 7,500 associates who make our clients their first priority every day. When we do our job right, millions of investors around the world fulfill their dreams and financial goals.

Cardigan Mountain School

Cardigan Mountain School Summer Session combines academic review and enrichment with all of the recreation and fun of a traditional summer camp for boys and girls in grades 3-9.

Carney Sandoe & Associates

Carney, Sandoe & Associates is an educational recruitment firm that places teachers and administrators in private, independent and like-kind (charter, magnet, pilot and merit) schools across the nation. We have placed over 20,000 teachers and administrators in independent schools since 1977.

CBPartners

CBPartners is a global consultancy committed to providing unparalleled strategic support to pharmaceutical companies, biopharmaceutical companies, medical device companies, and government health authorities. The firm has five practice areas: Pricing & Market Access, Value Demonstration, Portfolio Optimisation, Commercial Planning, and Government Policy Advisory. The firm is headquartered in New York City, with offices in San Francisco, CA, London, England, and Shanghai, China.

City Year

At City Year's 28 locations across the United States and two international affiliates, highly trained young adults, our AmeriCorps Members, work full-time in schools for 11 months providing individualized supports to at-risk students. We partner with schools and districts to identify at-risk students and provide them with extra academic, emotional and social support and skills that they need to be successful for college and a career.

Clarion Healthcare, LLC

Located in Boston, Clarion Healthcare, LLC is a boutique consultancy focused in the life sciences industry. Led by four partners with backgrounds at leading strategy consultancies and pharmaceutical organizations, Clarion works closely with clients to address critical strategic and organizational challenges in the biopharmaceutical and device/diagnostics arenas. Clarion is known for **being able to successfully address its client's most critical challenges and adding lasting value.**

Clearview Healthcare Partners

ClearView Healthcare Partners is a boutique consulting firm that provides premier strategic consulting services to life science companies and investors.

Cogo Labs

Cogo Labs is a unique incubator, creating new businesses from our own internal experiments, and then growing them to profitability through the efforts of our top-notch engineering, analytics, and design teams. We strongly believe that the key to creating long-term value is to maximize revenue growth with limited venture investment. Once a new company becomes profitable, we give them the support they need to grow very big, very quickly.

Cornerstone Research

Cornerstone Research is a consulting firm specializing in the analysis of complex financial, economic, accounting, and marketing issues. Our staff and nationally-prominent academic and industry experts provide clients with state-of-the-art **analysis that has earned us a reputation for excellence and effectiveness. Crow Holdings Capital - Real Estate

Since 1998, Crow Holdings Capital – Real Estate (CHC-RE) has managed 11 private equity real estate funds with nearly \$8 billion in aggregate capital commitments. The company employs a fundamental value-add approach to investing and actively acquires and develops all types of real estate both independently and with operating partners. CHC-RE is managed by a 7-member investment team, supported by an experienced team of over 80 real estate professionals

CVS Health

Millions of times a day, we're helping people on their path to better health—from advising on prescriptions to helping manage chronic and specialty conditions. Because we're present in so many moments, big and small, we have an active, supportive role in shaping the future of health care.

D. E. Shaw & Co.

Headquartered in New York City, the D. E. Shaw group is a global investment and technology development firm with offices in North America, Europe, and Asia. The firm has earned an international reputation for successful investing based on financial innovation, careful risk management, and the quality of our staff. Our investment activities are based on both mathematical models and staff expertise, and our approach combines insights from quantitative fields, software development, sector expertise, and finance.

DC Energy

DC Energy is a proprietary trading firm that invests in the energy markets. DC Energy was founded in 2002 and is based **in the Washington DC metropolitan area. DC Energy's competitive advantage is based upon a rigorous, quantitative** analytical approach. Our team comprises exceptionally bright problem solvers who work together cohesively as a team to understand the fundamental value of energy commodities and identify opportunities for trading and investment. Together we have developed robust, proprietary economic frameworks enabling us to take positions across a diverse range of financial instruments and strike a prudent and efficient balance between risk and return.

Dean & Company

Dean & Company is a highly quantitative, boutique strategy consulting firm with a unique mix of both traditional business strategy development and a range of investment advisory work. We work with senior executives and use a fact-based, analytical approach to improve performance.

Decision Resources Consulting

Decision Resources Group (DRG) is a global information and technology services company that provides proprietary data and solutions to the healthcare industry. With over 1,000 employees and 17 offices worldwide, we have brought together best-in-class companies to provide end-to-end solutions to complex challenges in healthcare. Our team of highly knowledgeable experts reframe these challenges, enabling our customers to see the opportunities.

DigitasLBI

A top-ten global marketing and technology agency, DigitasLBI is comprised of 6,000 digital and technology experts across 40 offices in 25 countries worldwide. DigitasLBI is part of Publicis. Sapient a Digital Transformation Platform purpose-**built to solve for the challenges of today's digital world** — where companies seek to become fully digital businesses.

Dimensional Fund Advisors

Dimensional Fund Advisors is a leading global investment firm that has been translating academic research into practical investment solutions since 1981. Headquartered in Austin, Texas, Dimensional and its affiliates have offices across North America, Europe, and Asia Pacific, and manage \$518 billion for investors worldwide. Our entrepreneurial culture attracts exceptional, talented people with diverse educational backgrounds and work experiences. We are growing quickly and looking for smart, motivated people to help us deliver a better investment experience.

Edgeworth Economics

Edgeworth Economics is an economic, financial, and quantitative consulting firm that provides economic analysis and expert testimony for clients facing complex litigations involving antitrust, mergers and acquisitions, class certification, labor, intellectual property, transfer pricing, and complex commercial damages. Opera Solutions

Opera Solutions turns Big Data into Big Profit for the world's leading companies. We have grown to 500+ professionals, with offices in North America, Europe, and Asia. When you come to work for us, you'll be joining a rapidly growing firm offering exceptional opportunities for a diverse set of individuals – mathematicians, liberal arts majors, MBA's and scientists– working on very interesting questions and using an array of cutting edge approaches.

Parthenon Group

Come meet current Parthenon-EY Associates at our career fair table to learn more about our projects and sectors in the strategy consulting space, our culture and commitment to inclusiveness, and how you can flex your entrepreneurial muscles from day one to make an impact as an intern or fulltime employee. We look forward to meeting you!

Peace Corps

The Peace Corps is a service opportunity for motivated change makers to immerse themselves in a community abroad, working side by side with local leaders to tackle the most pressing challenges of our generation.

Putnam Investments

Founded in 1937, Putnam Associates is a global money management firm with over 75 years of experience helping individuals and institutions pursue their investment goals. Putnam manages assets across equity, fixed income, asset allocation, and alternative strategies. Active, fundamental research, innovation, and risk management drive our approach to investing. Our global presence includes offices in Boston, London, Frankfurt, Tokyo, Singapore, and Sydney, all united by our collaborative culture and singular focus on client objectives. For more information, please visit www.putnam.com.

QuintilesIMS

QuintilesIMS **Consulting Services is the world's leading, specialized adviser on critical business issues in the life sciences**, and is the management consulting arm of QuintilesIMS, a leading provider of information, services and technology for the healthcare industry in 100+ countries around the world. Our consulting service teams offers end-to-end management consulting in: business unit, therapy area and brand strategy, portfolio strategy, launch strategy, pricing & market access studies and commercial model design and optimization.

QuintilesIMS (Amundsen Consulting)

Around the world healthcare stakeholders are working to improve real-world patient outcomes through treatment innovations, care provision and access to healthcare. For the information, technology and service solutions they need to drive new insights and approaches, they count on QuintilesIMS. With a global team of 50,000, we harness insights, commercial and scientific depth, and executional expertise to empower clients to achieve some of their most important goals: Improving clinical, scientific and commercial results. Realizing the full potential of innovations. And, ultimately, driving healthcare forward.

Racepoint Global

Big Agency Results. Small Agency Touch. Racepoint Global combines the power of worldwide reach with personal attention. Our clients expect everything to be bigger, better and bolder. They also want access to the brightest minds at all times. We have the necessary DNA to do both. We challenge our clients to do more to stay ahead and demand that they challenge us to be accountable. We drive communications that are strategically sound and strive to forge personal relationships, breakthrough results and lasting impact.

SAGA Innovations

SAGA Innovations recruits the best and brightest young professionals to work in high-needs urban public schools. SAGA drives the expansion of the nationally recognized innovation of high-dosage, intensive daily tutoring, where tutoring is a part of the regular school day for students as a scheduled class period. Our mission is to improve student achievement, to improve student and family connection to school, and to bring talent into under-resourced districts by personalizing education.

Schuler Scholar Program

The Schuler Scholar Program is a private, non-profit foundation. Schuler serves over 900 students in 12 high schools located throughout the northern suburbs and the city of Chicago as well as college Scholars. The Program helps motivated youth gain access to and succeed at highly selective colleges and beyond. Schuler Scholars come from populations that are under-represented on college campuses: Scholars are first-generation college-bound, students of color or come from low-income families and communities.

Silicon Valley Bank

SVB Financial Group and its subsidiaries, including Silicon Valley Bank, are dedicated to helping entrepreneurs succeed. SVB Financial Group is a financial holding company that serves companies in the technology, life science, clean technology, venture capital, private equity and premium wine industries. Offering diversified financial services through Silicon Valley Bank, SVB Analytics, SVB Capital, and SVB Private Bank, SVB Financial Group provides clients with commercial, investment, international and private banking services.

Simon-Kucher & Partners

Over the last 30 years, Simon-Kucher & Partners has helped more than 100 of the Global Fortune 500 companies **address their strategic and marketing challenges. We are regarded as the world's leading pricing advisor and thought leader.** We focus on TopLine Power® by helping clients grow their top-line through strategy, pricing, marketing and sales. Globalization is a core element of our goals and strategy. Today we are an international and multilingual team of over 1,000 full-time employees from diverse academic and professional backgrounds in 33 offices across the US, Europe, Asia Pacific, and South America.

Spencer Stuart

Spencer Stuart is a global leader in executive search and the adviser of choice to top companies seeking counsel on senior leadership needs. Our clients include leading multinational corporations, medium-sized businesses, entrepreneurial startups and nonprofit organizations across a variety of industries. Founded in 1956 and still privately owned, Spencer Stuart today has 56 offices in 30 countries. Our global reach, leadership in CEO and senior executive searches, and status **as the premier firm for board counsel and recruitment give us unparalleled access to the world's top executive talent.**

Student Conservation Association

SCA's mission is to build the next generation of conservation leaders and inspire lifelong stewardship of the environment and communities by engaging young people in hands-on service to the land. SCA remains a stalwart presence for conservation and our country. The young people with whom we work gain an adeptness, an ability to press beyond whatever challenge comes next.

Teach For America

Teach For America is a network of leaders working to change the course of nation by expanding opportunity for every student. We seek the most promising leaders of this generation early in their careers who have demonstrated the values and leadership necessary to make systemic change. As a TFA alum, you will become part of a network of leaders working together to shape the political, economic and social future of our country.

Trade Informatics

Trade Informatics helps institutional investors retain more of their alpha. We provide our clients the tools and insights to succeed in an increasingly competitive investment environment. We do this through software development, rigorous trade analysis, action-oriented consulting, industry-leading trade reporting, and customized systematic trading.

Treacy & Company

Treacy & Company is a strategy-management consulting firm founded by business strategist and former professor at the MIT Sloan School of Management, Dr. Michael Treacy. Treacy & Company's management consulting practice provides strategic insight and support to the top executives of Fortune 500 and similar global corporations on a range of business issues related to growth strategy.

Trinity Partners

Trinity Partners, LLC is a leading life sciences consulting firm specializing in the pharmaceutical, biotech and medical device industries. Our case work spans topics including long-term commercial strategy, mid-term tactical design and short-term operational implementation. At Trinity, our vision is to become the gold-standard partner for our clients by delivering innovative insights and cutting-edge solutions across all types of commercialization issues.

Tuck Business Bridge Program

Tuck Business Bridge is a total immersion business program designed to prepare top liberal arts and science undergrads for challenging careers. With a comprehensive business core curriculum, taught by the Tuck School of Business's top-ranked MBA faculty, a capstone team project, and one-on-one guidance from the Tuck's Career Development Office, The Tuck Business Bridge Program® can give you the skills confidence you'll need to get a job and succeed.

U.S. Census Bureau

The Census Bureau is part of the U. S. Department of Commerce, and is overseen by the Economics and Statistics Administration. Our mission is to serve as the leading source of quality data about the nation's people and economy. We honor privacy, protect confidentiality, share our expertise globally, and conduct our work openly. Major programs within the Census Bureau include the Decennial Census of Population and Housing, Economic Census, Census of Governments, American Community Survey, and Economic Indicators.

UnitedHealth Group

UnitedHealth Group is a diversified health and well-being company dedicated to helping people live healthier lives and making the health system work better for everyone. Our businesses touch nearly every aspect of health care, uniquely positioning us to address the most critical health care needs of people around the world. We deploy our core capabilities in clinical care improvement, population health management, health insurance and analytics and health technology in a **variety of settings throughout the US and globally. Join us and you'll soon discover a career here is launching pad for your life's best work.SM**

Urban Teachers

Urban Teachers is a non-profit teacher preparation and graduate school program in partnership with Johns Hopkins University.

Vanguard

Vanguard, one of the world's largest global investment management companies, offers rewarding long-term careers in finance, technology, client service, and related financial services fields. The company is widely recognized for providing a comprehensive total rewards package of compensation, benefits, and work-life programs.

Vantage Partners

Vantage Partners is a global management consulting firm dedicated to helping the world's leading companies improve the way they negotiate and manage their most strategic relationships (externally: with alliance partners, key suppliers, key customers, outsourcing providers and buyers; and internally: across business units, geographies, and functional groups). We work with companies to build the processes, tools, and skills required for effectively negotiating and managing their portfolio of relationships and help them improve individual relationships.

Venture for America

Venture for America is a two-year fellowship program for recent college graduates interested in entrepreneurship and working in a fast-paced, innovative startup environment. Throughout the fellowship, they learn how to contribute to a high-growth business and gain access to mentorship, ongoing training, and the VFA community. Our goal is to help the next generation become leaders capable of launching their own companies, creating opportunities for themselves and others, and adding value to their local communities.

Vermont Telephone Company, Inc.

VTel is a family-owned telephone company that began serving rural Vermont in 1890. We operate a four-state optical fiber network from Vermont to New York City, Boston, and Montreal, with speeds of 10 Gig to 100 Gig. VTel actively supports Vermont community groups, creates Vermont jobs, drives hybrid vehicles, uses solar and hydro and wind power, and is committed to improving quality of life for Vermont.

Veson Nautical Corporation

Veson Nautical enables commercial maritime companies to make better business decisions and use their resources more strategically and effectively. We develop and deliver the most advanced, user-friendly, commercial maritime management and trading software solutions. Our design-focused interfaces are simple to navigate, making it easy for people throughout an organization to share information and leverage the full capabilities of the IMOS and Veslink systems.

Volition Capital LLC

Volition Capital is a growth equity firm that principally invests in high potential, founder-owned companies across different technology sectors. Our firm specializes in partnering with founders to help them achieve their fullest aspirations for their business. Our team has 75 years of collective investing experience helping dozens of companies navigate to successful IPOs and acquisitions. Assets invested in the existing portfolio of 22 companies are approximately \$300 million.

Walmart US eCommerce

Our business experts, front and back-end engineers, web teams, and data science gurus collaborate to drive technology **advances that create billions of better customer experiences online for the world's largest global retailer. From solutions** powered by our own open source technology to big data, we're incubating new ideas. That's not all. Innovations abound in UX/UI, Mobile, Supply Chain, Merchandising, Marketing, HR, Finance, Legal, Customer Service and more!

Wayfair

Wayfair is one of the fastest growing eCommerce companies in the U.S. Wayfair generated **\$3.6 Billion in net revenue this past fiscal year. At Wayfair, we're always looking for curious, analytical, and adaptable people to join our home team. At our Boston headquarters, you'll find a dynamic environment where learning and growth opportunities are abundant and hard work and results are rewarded. If you're looking for a challenging and fulfilling career in technology driven company, make yourself at home.**

Woodrow Wilson National Fellowship Foundation

The Woodrow Wilson Academy of Teaching and Learning prepares outstanding individuals for successful careers as educators. It is an innovative education lab, examining what works in teacher and school leadership education. The WW Academy's collaboration with MIT and its Cambridge location make it a true intellectual destination for those who want **to think differently about education and the future of teaching. As a teacher candidate, you'll prepare for licensure in biology, chemistry or mathematics.**
