- Collis Common Ground

West House is co-sponsoring this year's Sustainability and Social Justice Dinner, and we'll have spots for some Westians to attend!

Each Earth Week, the Office of Sustainability hosts a Sustainability and Social Justice Dinner, which brings together students, faculty, and staff from across campus. Panel speakers at this year's dinner include Dartmouth alumna **Aja DeCoteau '03** who works for the Columbia River Inter-Tribal Fish Commission, **Brandi Colander** who has worked on natural resources and energy at the National Wildlife Federation, as well as in academia and with the Department of the Interior, and Dartmouth **Professor Bruce Duthu '80**, who has extensive teaching, research, and advocacy experience in interdisciplinary Native American policy.

If you're interested in attending, please **sign up** at [this form](#). Spots are limited and will be granted on a first come, first served basis.

- West House Lunch THIS THURSDAY

Our first **West House Lunch** of the term will be **this Thursday, April 12 from 12 to 1pm** in the **Paganucci Lounge** in '53 Commons. All West House students, faculty, staff, and community members are welcome. For those who don't have a meal plan, lunch will be covered by the House (if so please **sign up** at [this form](#) so we have a sense of numbers). See you then!

- West House IM VOLLEYBALL

A note from your IM coordinator, Resident Fellow Cory Cline:

The **House Cup** continues with **IM Volleyball** this term. This Friday we were one player short and so missed out on the chance to play – if you're interested, please join the team **Friday, April 13 at 7pm** for the game against our closest House Cup rivals, **East Wheelock**. Sign up through imleagues.com using the code 18WestS to waive the fee registration. I look forward to playing with y'all and email me if you have any questions with signing up. I will send out the rules and game reminders for those who sign up on IM leagues next week. (cory.t.cline.th@dartmouth.edu)

Teams of 4-6 (all members will be from their own housing community) will be required to cook 2 identical dishes for the judges to eat, and something that is bite-sized/easy to share with 100+ people (i.e. a chili or dip). The challenge will be using some TBD main ingredient that is locally sourced and in season. During the event judges will judge the dishes and the public will vote on their favorite bite-sized dish. There will be 2 winning teams. At the event, the people can receive a personalized spork and are asked, but not required to donate, to our community partner, Willing Hands

Prior to the Challenge, on **Sunday, April 15 from 1 to 4pm** West House will also be taking a group to the [Co-Op for a cooking class](#). If interested, please sign up at [this form](#).
