Hi Westians,

Best wishes to everyone as we head toward the end of term.

It's been a tough week, particularly so due to violence around the country and closer to home here in Hanover. A reminder to all of us to please look out for each other, and to reach out for help if you need it. There are many resources available in our community; you can always contact campus safety and security at 603-646-4000 to speak with a dean or counselor on call.

And also a reminder to everyone to VOTE this Tuesday if you can. Voting is both a right and a privilege; be sure to exercise it and have your voice heard.

Here's this week's Westletter.

Best,
RCH

THE WESTLETTER for the week of 11/4/18

as always, for more see sites.dartmouth.edu/west-house/

- Westian of the Week

- West House Resident Fellow **Jennifer Franks (Quantitative Biomedical Sciences)**, has [led a fascinating new study on stem cell transplants and treatment for scleroderma](#). Congratulations on this exciting and

important work!

- Breakfast Sandwiches TONIGHT 9pm in the Hyphen

The West House UGAs will be hosting their **weekly Sunday night snacks at 9pm tonight in the Hyphen**. Come join Zoë and Don for **English muffin breakfast sandwiches** (with egg, cheese, and/or sausage)!

- Election watching gathering in The Hyphen on Tuesday

On **Tuesday night starting at 8pm**, we'll be hosting a **gathering in the Hyphen** to watch the election returns for the midterms with some **food and drinks**.

- Pumpkin Carving Results

Congrats to **Erica Busch '20** whose pumpkin came in fourth in the House pumpkin carving competition. Hers was the sole pumpkin from West House (the winning House, **East Wheelock**, had five entries!) so that's quite an achievement to earn us some valuable House Cup points. Congrats Erica, and a reminder to look out for chances to participate in future events (partly so we can get maximum House Cup points, but mostly because they're fun)!

- **Community Dinner next Sunday: pre-Thanksgiving Feast!**

Next Sunday we'll feature our last **West House Community Dinner** of the term, the annual **(pre-) Thanksgiving Feast!** It will feature a **mashed potato bar** with all the fixings.

- **West House Bigs and Littles at Morano Gelato**

The West House Big/Little Morano Gelato program is **NOW LIVE!** Bigs can treat their Littles once per term to ice cream, coffee, etc. up to \$10 per person. Just go to Morano and let them know your name; they'll find you and your Littles on the list. This can be a great way to get a relaxing and tasty study break at the end of term. Have fun!

- West House DIRECTORY

It took some extra work in the background, the **West House directory book and poster** is about ready to be produced! We have almost all of the '22s signed up, but still haven't heard from a number of upperclass students (particularly '19s!)

If you haven't signed up yet and would like to be included in the directory, please fill out [THIS FORM](#).

- Wine Tasting Seminar TUESDAY

The next **West House Wine Tasting Seminar** will be this week **TUESDAY, NOV 6** (i.e. election night). RSVP to Resident Fellow Jennifer Franks (Jennifer.M.Franks.GR@dartmouth.edu)

- West House Executive Board

The West House student Exec Board plans and organizes many of our wide range of House activities. Being active on the Exec is a great way to get to meet Westians and shape your residential community! We have a substantial budget for House programming and how best to use it is up to you!

Everyone is welcome at Exec meetings, which are at **6:30pm on Sundays** in the Fahey downstairs lounge.

- Images from the Week

Here are a few pictures from the week. On Friday we had another great **Russell Stage Open Mic** (thanks to Suyash Surana '21 and Manny Sanon '22 for organizing), with almost a full house and some excellent performances. Please look out for more Russell Stage events in coming terms. Then last night RFs led a fun trip to **Nightmare New England**, despite weather delays and a bus that was stuck in the mud!

- Resident Expert schedule

Your West House Resident Experts are a great resource – They're available weekly for 1.5 hours in the Fahey study spaces. See below for the schedule – get to know them!
