Authors **Christine and Frido Mann** build on their family legacies as well as on the work of writer Thomas Mann and physicist Werner Heisenberg to illuminate the relationship between the humanities and the sciences and to bring their fight for democracy to Dartmouth, America, and the world.

We will next be hosting world-renowned public intellectuals and [Montgomery Fellows](http://dartgo.org/montgomeryfellows) Christine and Frido Mann, on **Tuesday, October 22 at 6pm** at the West House HP's residence.
