Listed as *Company Arranging Interviews* on DartBoard, these employers will enter their decisions in DartBoard no later than July 27th. If one of these employers selects you for a phone/video interview, they will contact you directly within one week to schedule that interview. They will NOT schedule through DartBoard! If an employer is late in scheduling, email the DartBoard contact to tactfully follow up. Suggest 3 dates/times that work for you. Check your clutter/junk folders frequently as employer emails sometimes end up there

Employers Interviewing On-Campus

Employers will reach out directly to you to schedule an interview and you will NOT be able to sign up for an interview slot on DartBoard. If you don't hear from an employer within a week of being notified of your acceptance, please email the linked contact directly, thanking them for the opportunity, and offering a few dates and times that you are available to interview. Interview signups for INVITED candidates started at 9 pm on July 25th. If waitlisted for an interview, make sure to check when interview signups begin for your specific company.

Cancelling or Changing 1st Round Interviews:

Scheduling 2nd round interviews:

All employers interviewing on campus have formally agreed:

-to provide at least 3 full business days' advance notice on an out-of-town interview (e.g. invitation arrives Wed. night for following Tuesday interview), AND

-to offer at least 2 potential dates for a 2nd round interview

- If there are other employers you are interested in, please go directly to the career sections of their websites to learn more about their timeline. If you want help with this, you can schedule an appointment with one of the Advisors by logging into [DartBoard](#). Email Zachary.M.Vigliani@dartmouth.edu with any other questions!
